*Jacksonville, Florida— August 1, 2017* — Today LeaderboardKing announces that 50 golf courses and growing across the country have joined to participate in the largest live scoring golf event during a solar eclipse....ever!!

In conjunction with the Solar Eclipse on August 21, 2017, LeaderboardKing is hosting a national golf party at courses across America. The event will be known as *Lights Out Across America*. This may be the largest single day golf party ever. We are pretty sure it will be the largest single day live scoring golf party ever.

Visit **LOAGOLF.COM** to find participating golf courses in your area or participating golf courses in the zone of totality for the best view of the solar eclipse. Register for the event as early as possible since many courses will fill quickly in advance of the event. Golf packages with hotel rooms are also available in select cities in the path of the eclipse. Answers to many other frequently asked question can be found at **LOAGOLF.COM**.

### **Solar Eclipse**

On August 21, 2017, this is the first total eclipse of the Sun visible from the contiguous United States (excluding Alaska and Hawaii) since February 26, 1979. The last time a total eclipse was visible from coast to coast was on June 8, 1918. The zone of totality is where the full eclipse will be visible for over 2 minutes.
